Can't see the colour you want?

Ask us for the colour you like – send a screenshot and we'll match it.

Colours are shown as photographed in daylight and can vary slightly on screen.

RANGE 01

Plush Velvet

A dense, short-pile velvet with a smooth, rich sheen.

Every colour in this swatch book is available on any of our sofas and beds, made in house to your size.

Can't see your colour?

Send us a screenshot and we'll match it.

Colours shown as photographed; screens vary slightly. Visit a showroom to see and feel the real swatches.

RANGE 02

Chenille

A soft, fine-ribbed chenille with a gentle lustre and a warm, cosy feel.

Every colour in this swatch book is available on any of our sofas and beds, made in house to your size.

Can't see your colour?

Send us a screenshot and we'll match it.

Colours shown as photographed; screens vary slightly. Visit a showroom to see and feel the real swatches.

RANGE 03

Linen Weave

A linen-look weave with natural slubs and a crisp, matte finish.

Every colour in this swatch book is available on any of our sofas and beds, made in house to your size.

Can't see your colour?

Send us a screenshot and we'll match it.

Colours shown as photographed; screens vary slightly. Visit a showroom to see and feel the real swatches.

RANGE 04

Distressed Nubuck

A soft, brushed nubuck-look fabric with a crackled, distressed finish for a vintage leather feel.

Every colour in this swatch book is available on any of our sofas and beds, made in house to your size.

Can't see your colour?

Send us a screenshot and we'll match it.

Colours shown as photographed; screens vary slightly. Visit a showroom to see and feel the real swatches.

RANGE 05

Faux Buckskin

A matte, suede-soft fabric with a natural hide grain, just like brushed buckskin.

Every colour in this swatch book is available on any of our sofas and beds, made in house to your size.

Can't see your colour?

Send us a screenshot and we'll match it.

Colours shown as photographed; screens vary slightly. Visit a showroom to see and feel the real swatches.

RANGE 06

Bouclé I

A fine, tightly curled bouclé with a soft, even texture.

Every colour in this swatch book is available on any of our sofas and beds, made in house to your size.

Can't see your colour?

Send us a screenshot and we'll match it.

Colours shown as photographed; screens vary slightly. Visit a showroom to see and feel the real swatches.

RANGE 07

Bouclé II

A chunky, looped bouclé with a deep, cloud-like texture.

Every colour in this swatch book is available on any of our sofas and beds, made in house to your size.

Can't see your colour?

Send us a screenshot and we'll match it.

Colours shown as photographed; screens vary slightly. Visit a showroom to see and feel the real swatches.

RANGE 08

Plush Chenille

A lustrous chenille with a deeper, shimmering pile.

Every colour in this swatch book is available on any of our sofas and beds, made in house to your size.

Can't see your colour?

Send us a screenshot and we'll match it.

Colours shown as photographed; screens vary slightly. Visit a showroom to see and feel the real swatches.

RANGE 09

Plush Cord

A soft chenille pile with a fine ribbed cord texture.

Every colour in this swatch book is available on any of our sofas and beds, made in house to your size.

Can't see your colour?

Send us a screenshot and we'll match it.

Colours shown as photographed; screens vary slightly. Visit a showroom to see and feel the real swatches.

RANGE 10

Textured Weave

A diagonal twill weave with flecked yarns for depth and texture.

Every colour in this swatch book is available on any of our sofas and beds, made in house to your size.

Can't see your colour?

Send us a screenshot and we'll match it.

Colours shown as photographed; screens vary slightly. Visit a showroom to see and feel the real swatches.
